THE CUZEN ADVANTAGE

Why partner with Cuzen General Supply?

1 Wholesale & retail capability
A versatile model that supports bulk Government contracts as well as highly tailored micro supplies.

2 End-to-end installation
We don't just deliver products. We offer professional setup, assembly and installation for maximum utility.

3 Optimized supply chains & pricing
Direct sourcing from manufacturing giants means cost-effective pricing that helps institutions maximize budgets.

4 Tendering readiness
Fully aligned with PPRA guidelines and operating seamlessly within Tanzania's e-procurement system, NEST.

PPRA · NEST · TBS

Standards-driven. Tender-ready.

WHO WE SERVE

Trusted by institutions across Tanzania

Government
Ministries, Departments and Agencies (MDAs) through the NEST platform.

NGOs
Non-Governmental Organizations operating across Tanzania.

Private Corporations
Private companies, on wholesale and retail terms.

WHO WE ARE

Company overview

CUZEN GENERAL SUPPLY COMPANY LIMITED is a premier, legally registered Tanzanian company, established under the Companies Act.

We are a trusted partner in the supply and engineering sector, distributing high-quality office stationery, electrical appliances and construction materials, and providing specialized installation services.

OUR VISION

To be the most reliable, preferred and efficient general supply and installation partner in Tanzania.

OUR MISSION

To empower our clients' daily operations with top-tier hardware, electrical installation and stationery through competitive pricing, integrity and unmatched timely delivery.

Our core values

Quality without compromise
Products that meet strict national (TBS) and international standards.

Absolute integrity
Transparency, honesty and ethical compliance in every procurement and tendering stage.

Timeliness
We respect institutional deadlines and deliver exactly when needed.
