COMPANY OVERVIEW

01

Company Overview & Legal Status

CUZEN GENERAL SUPPLY COMPANY LIMITED is a premier, legally registered corporate entity in Tanzania, established under the Companies Act.

The company was founded with a strategic vision to become a leading and trusted partner in the supply and engineering sector, specializing in the distribution of high-quality office stationery, electrical appliances and construction materials, and in providing specialized installation services.

We serve Government Ministries, Departments and Agencies (MDAs) through the NEST platform, as well as Non-Governmental Organizations (NGOs) and private corporations across Tanzania, operating on both wholesale and retail frameworks.

WHO WE ARE

02

Vision, Mission & Core Values

OUR VISION

To be the most reliable, preferred and efficient general supply and installation partner in Tanzania, recognized for seamlessly bridging the gap between quality products and institutional needs.

OUR MISSION

To empower our clients' daily operations by providing top-tier hardware, electrical installation and stationery products through competitive pricing, integrity and unmatched timely delivery.

Our Core Values

Quality without compromise

We source products that meet strict national (TBS) and international quality standards.

Absolute integrity

We practice transparency, honesty and ethical compliance in all procurement and tendering stages.

Timeliness

We respect institutional deadlines. We deliver your order exactly when it is needed, on schedule.

WHAT WE DO

03

Our Core Products & Services

CUZEN GENERAL SUPPLY COMPANY LIMITED maintains a robust supply network that guarantees bulk availability and competitive rates across our five specialized divisions.

Protecting your people on every site · Construction · Industrial · Institutional

THE CUZEN ADVANTAGE

04

Why Partner With Cuzen General Supply?

1

Wholesale & Retail Capability

We operate a versatile business model that supports bulk Government contracts as well as highly tailored micro supplies.

2

End-to-End Installation Services

Unlike basic trading companies, we don't just deliver products. We offer professional setup, assembly and installation, ensuring maximum utility for the client.

3

Optimized Supply Chains & Pricing

Our direct sourcing capability from manufacturing giants allows us to offer aggressive, cost-effective pricing that helps institutions maximize their budgets.

4

Strict Electronic Tendering Readiness

We are fully aligned with Public Procurement Regulatory Authority (PPRA) guidelines and operate seamlessly within Tanzania's National e-Procurement System, NEST.
